# United Way of Rockland 2022 Spring Days of Caring April 18 – May 6, 2022

## JOIN US FOR THE 2022 SPRING DAYS OF CARING

From April 18 – May 6, 2022, United Way of Rockland County (UWRC) will host the **2022 Spring Days of Caring**, considered the largest, community service event in Rockland County. During this day, UWRC will bring hundreds of volunteers together to complete service projects for local nonprofits throughout Rockland County. The Spring Days of Caring brings sponsors, volunteers and nonprofits together to promote volunteerism, community partnership and insight into the needs of the Rockland County nonprofit community and the people they serve.

- **Sponsorship** is the perfect way to support UWRC's 2022 Spring Days of Caring. This program can assist businesses in meeting their corporate giving goals, increasing their visibility, and developing closer ties with the communities they serve.
- **Volunteering** during UWRC's 2022 Spring Days of Caring provides a variety of benefits to participants including meeting new people, learning new skills, increasing optimism, and building stronger relationships with coworkers.
- **The Nonprofits** that participate truly benefit because the service projects completed could not have been accomplished otherwise due to budget constraints. These projects positively contribute to the quality of life of the people served by these nonprofits.

**BE PART OF SOMETHING REAL!** Witness and participate in the power of collective volunteering as it positively impacts Rockland County families and individuals, and the nonprofits that serve them. For more information or to register, contact Jacqueline Goldstein, UWRC Vice President of Resource Development at [j.goldstein@uwrc.org](mailto:j.goldstein@uwrc.org) or 845-358-8266.
