

# CROSSGATES

For our guests' convenience, ADA accessible entrances and parking spots are located at every parking lot and main mall entrance.

ADA compliant restrooms can be found on the lower level near Macy's, lower level near Gap, upper level in the food court and on the third floor near Billy Beez.

If you require the use of a wheelchair during your visit, wheelchairs are available FREE of charge to rent at the Security Office located on the third floor above of Best Buy. A short form needs to be filled out and a set of keys or license need to be left with security while the wheelchair is in your possession. Please call the Security Office at 518-869-5414 for further information.
